

Bay 10 - Oriental Hotel - Scenario A

STAGING: 10 pistol, 10 rifle, four plus shotgun, three shooting positions; Position 1 is left of Oriental Hotel, Position 2 is inside doorway of Oriental Hotel, Position 3 is inside Oriental Hotel and behind the right table. Rifle staged at Position 2, shotgun staged anywhere safely.

START: Starting at Position 1, shooter is holding a high-hat in both hands.

SHOOTER INDICATES READY BY SAYING: “What happens if I get a virtual squib?”

AT THE BEEP: Drop hat on table, and engage the four pistol targets with the pistols in an outside, outside, inside, inside pattern for ten shots beginning on either end. With pistols safe, move to Position 2 and engage the four rifle targets with the rifle following the same instructions as for the pistol, in the same sequence as you did for the pistols. With rifle made safe, move to Position 3 to engage the two shotgun knock-down targets any order until you think they are down, and then the Lazy Arrow Bear Trap. Hitting the bird is a 10-second bonus. There is no miss penalty for missing the bird.

Note:

The Lazy Arrow Bear Trap is a spring-loaded clay-bird slinger that throws the bird about 150'. The bird stays aloft for about 3.5 to 4 seconds. Shooter may re-engage it while it is aloft.
