

Bay 11 - Sidewinder's Saloon - Scenario A

STAGING: 10 pistol, 10 rifle, 4 plus shotgun, three shooting positions: Position 1 is the left window of Sidewinder's Saloon, Position 2 is the doorway of Sidewinder's Saloon, Position 3 is the right window of Sidewinder's Saloon.

START: At Position 1 OR Position 3 with shotgun at the ready, pistols holstered, and rifle staged safely at Position 2.

SHOOTER INDICATES READY BY SAYING: "Now if only I could have a virtual beer!"

AT THE BEEP: With the shotgun, starting from either Position 1 or Position 3, engage the two shotgun targets then move to the other window and engage the other two any order until you think all four shotgun targets are down. Safely stage shotgun and move to Position 2, and with the rifle and pistols engage Sidewinder's Maze in a 6, 5, 4, 3, 2 sequence in a bottom, bottom, middle, middle, top order. In virtual shooting, rifle can always be last.

NOTE:

Sidewinder's Maze is a stand with five targets set in a "V" pattern that can be rotated to align the targets in eight different orientations:
