

Bay 1 - Wells Fargo Wagon - Scenario B

STAGING: 10 pistol, 10 rifle, four plus shotgun, one shooting position; from anywhere behind the Wells Fargo wagon. Pistols staged on wagon, shotgun and rifle staged on table. Shooting order is shooter's choice and in Virtual Cowboy Shooting, rifle may be last.

START: With thumbs in belt.

SHOOTER INDICATES READY BY SAYING: "I got this one!"

AT THE BEEP: With the pistols, engage the targets with three shots left to right, then one shot top and one shot bottom. Then engage the targets with three shots top to bottom, the one shot left and one shot right. With pistols made safe – either holstered or back on wagon - pick up rifle and engage the targets following the pistol instructions. With rifle made safe, pick up shotgun and engage the four shotgun knock-down targets any order until you envision them down.
