

Bay 3 - Camatta Lilly's Sanctuary - Scenario A

STAGING: 10 pistol, 10 rifle, 4 plus shotgun, four shooting Positions: Position 1 is the doorway of Camatta Lilly's Sanctuary, Position 2 is down range at the left fence, Position 3 is down range at the right fence, and Position 4 is the center haybale.

START: At Position 1 with pistols holstered, shotgun staged safely on either of the haybales inside doorway, and rifle held at port arms.

SHOOTER INDICATES READY BY SAYING: "I can smell the haybales!"

AT THE BEEP: With the rifle, engage the three R/P targets in a double-tap sweep starting on either end, with the diamond target being target #2. Make rifle safe in either of the two vertical racks. Pick up shotgun and move down range to left fence and engage the two shotgun targets any order until you think they are down. Move to right fence and engage the two shotgun targets any order until you think they are down. Move to Position 4 and make shotgun safe on haybale, and engage the R/P targets with the pistols using same instructions as for the rifle, and starting at the same end as you did with rifle.
